Have the opportunity to discover Via Monte Napoleone, the most important street of the Milan fashion district where many well-known fashion designers have high-end boutiques. Come and be inspired by The Last Supper, take in the view from the Duomo roof, get some culture at the Teatro alla Scala and navigate the Navigli waterways.

Lamborghini Factory – You will have the opportunity to visit Lamborghini Factory with a guide along the production line of HURACÀN and AVENTADOR. Find out more at www.lamborghini.com

Prosciutto di Parma - The quality of a product depends on the quality of the place where it is produced. The production of genuine Parma Ham is the story of a special relationship between man and nature. Since Roman times, the unique conditions of the Parma region have made it possible to produce the highest quality hams.

Academia Barilla – The diversity in a country’s cuisine does not exist solely in a list of recipes, but is represented in the identities of a country and its people, including both extraordinary cuisine and downright strange customs to an outsider.
